TENTH ANNIVERSARY OF THE MANDIR AND BAPA'S BIRTHDAY CELEBRATIONS

We will be celebrating the Mandir's 10th Anniversary and Bapa's 211th Birthday from the 10th to 14th November 2010. This is a five day programme - details of which are on the following pages.

In order to make this a self financing event we are launching a raffle and are taking the liberty of enclosing a book of ten tickets with this newsletter – we do hope that you will be able to support the Mandir in this matter. A postage paid envelope is also enclosed for your convenience and therefore please return the ticket stubs with your remittance, preferably by cheque in the envelope provided. If you intend to visit the Mandir, please place the raffle ticket stubs into the envelope provided and accordingly drop into the Donation Box. Furthermore for your information a celebration souvenir booklet is being published - therefore should you wish to advertise or sponsor a page, or part thereof, please contact the Mandir.

RECENT CELEBRATED FESTIVAL

We proudly celebrated Krishna Janmashtmi on 2nd September 2010 and were delighted with the attendance of some 2000 devotees throughout the day. Festivities continued until midnight with Prasad being served from midday until 9.30 pm. We are delighted to report that attendances to all our festivals continue to grow.

MANDIR PARKING

In the interest of our neighbours and under our duty of care the Mandir has booked parking facilities at Coston primary school for Thursday evenings from 6.00 pm until 10.15 pm – which is only 5 minutes walk from the Mandir. A shuttle service is being provided from the car park for the benefit of the devotees. Devotees must avoid parking on adjoining streets and not occupy the parking spaces of

residents, whose support will be needed if we are to apply for planning permission to extend the Mandir. We do not wish to upset our neighbours in any way.

BAPA'S INSPIRATIONS

In our work we are inspired by the life and the message of Jalarambapa. Bapa's message of compassion and love for all human beings is relevant throughout the ages. To this end, we are constantly thinking of better ways of working among ourselves, and utilizing the many dedicated volunteers that support the Mandir. We regularly evaluate our services and the interaction with our devotees. Our ethos from the outset has been transparency in our finances, regular publication of accounts via newsletters and on our website.

ACQUISITION OF 37 /37A OLDFIELD LANE SOUTH, GREENFORD, MIDDLESEX

We are delighted to have purchased the above property on behalf of the Mandir at a cost of £340,840.00. This semi detached house comprises of two self contained flats which and is adjacent to the Mandir. One flat is being occupied by our priest and the second flat has been rented out. Since purchase works have been carried out for drainage as part of maintenance. To acquire this property we could not utilize all our cash reserves as we are obliged under the charity rules to keep six months expenditure as cash reserves. We are therefore grateful to have received interest free loans from certain devotees totaling £148,000. These will be repaid on the dates promised by the Mandir – however with thanks to the generosity of our devotees, £28,000 has already been repaid and the others will be repaid between November 2010 and June 2011 as promised.

MANDIR IMPROVEMENTS / MAINTENANCE

Improving the temple is a time consuming process and naturally requires a maintenance programme. It is therefore important that the correct policies are in place which involves the training of employees and volunteers. Under our duty of care we must ensure that health and safety issues are adhered to and the needs of the devotees are implemented. To that effect we have also recently installed two new air conditioning units. Roofing work is in progress to overcome the day to day wear and tear which will stop current leaks. A new drainage system has also been installed.

EMPLOYEES

We have recently appointed Mr. Saileshbhai Poojara to work full time in the Mandir office as Administrative Assistant. Saileshbhai originates from Kampala and worked previously in the banking sector. We have two priests namely Piyushbhai Mehta and Palkeshbhai Trivedi who are both competent in their jobs. To book the Pujaris for private work such as Havans, Poojas, Kathas, Engagements, Weddings or any religious services, please contact the Mandir. Due to the Mandir serving Prasad from January 2010 seven days a week we have employed one full time cook and several part time assistants.

PERSONNEL AND HEALTH AND SAFETY ADVISORS

The Trustees are obligated to seek the best advice available on employment and Health and Safety matters. To that effect we have therefore appointed Peninsula as our Personnel and Health and Safety Advisors. The Peninsula Group are the country's largest advisors on personnel and Health and Safety matters and are consultants to numerous companies within the UK. We now have the benefit of their

CHILDREN'S BHAJANS

It is heartening to see so many of our children and young people come every Friday to learn Bhajans and to see them singing on Thursdays. We are glad to see the attendance of many young people on Thursdays and Saturdays. Over 35 children and young people supported by their families and friends took part in an entertaining afternoon of bhajans children and young people on Sunday 8th August 2010.
